michaelnadal27rocket@gmail.com

OBJECTIVE

An overzealous student whom to sought credible and absolute work experience in the discipline of study relevant to Information-Technology, that could positively have a tremendous contribution to his readiness to face the real-world. With a perspicacious grit, being able to amicably work with professionals is an immense bliss. Pursuing the college program DIT (Diploma in Information Technology), committed to be an apprentice from professionals in the work field and gaining profound insights for self-implementation whilst at my on-job training, I'm more than ready to use this internship to attain hindsight.

EDUCATION
